Bay Makes Preparations For Hurricane

Pictured are those who attended the school for safety driving of School Buses, August 17-18-19, under the instruction of N. C. Young, Instructor from Hattiesburg, Miss. Reading from left to right: E. E. Breland, Superintendent of Education, Andrew McCarty, Mrs. Andrew McCarty, Hiram Mitchell, Ollie Nease, Lemuel Miller, N. C. Young, Instructor, Kooline Wanda McCarty, W. B. Pearson, Robert Lee, Wilton Hoda, Donald Chapman, Billy Breland.

Bus Drivers Training School Held At Bay High School August 17-18-19

A bus driver training school was conducted at Bay High School for the school bus drivers of Hancock County on August 17-18-19. The school was sponsored by the State Vocational Department of Education and instruction was by Mr. N. C. Young. There were ten drivers in attendance, eight drivers of county-owned buses and two of privately owned buses. This is the third such school which has been held in this county and we feel that these schools being held all over the state will mean much for the protection of our school children who must travel the highways to reach their daily classes.

Mr. Ollie Nease and Mr. W. B. Pearson received certificates for having attended the instructions for three consecutive years.

The following drivers attended the school: Donald Chapman, Sellers School; Wilton Hoda, Kilo School; John Ladd, Kilo School; Robert Lee, Kilo School; Lemuel Miller, Logtown School; Edith Mitchell, Poyayune School; Thos. Lewis, Bay High; Chris Luder, Gulfport School; Ollie Nease, Dedaux School; Walter Pearson, Caesar School; Mr. and Mrs. Andrew McCarty, Poyayune School.

MEETING OF WOMEN'S AUXILIARY CHRIST CHURCH NEXT TUES.

The Women's Auxiliary, Christ Church, Episcopal will hold a joint meeting of Chapters 1 and 2 at the home of Mrs. Harold Weston on So. Beach, Tuesday afternoon, September 5, at 4:00 o'clock. Mrs. T. S. Martin, of Gulfport, Diocesan Chairman of Missions will be the speaker.

Each member of Chapter One is requested to bring two aprons.

Drive and Walk Safely Labor Day And Every Day Says Highway Patrol

We must not repeat the 4th of July record when ten people were killed on the streets and highways of Mississippi by Colonel T. B. Birdsong, Commissioner of Public Safety, during the Labor Day Holiday period which begins Friday night September 1, and ends Tuesday night September 5th. The record for the past two years for the Labor Day Holiday period was:

1949: For Labor Day only, one killed, 12 injured; for the four day holiday period, 7 killed, 46 injured.

1948: For Labor Day only, none killed, 6 injured; for the four day holiday period, 8 killed, 32 injured.

There is only one way we can keep death from our streets and highways—that is by everyone walking and driving safely.

Chief L. C. Hicks of the Highway Patrol stated today, "We will have every man of the Highway Patrol on the highway. All vacations and days off have been cancelled and the Examiners will patrol the highways during this period."

Captain A. S. Windham, Administrative Assistant of the Highway Patrol in charge of Safety Education, and Director of the Mississippi Safety Council stated, "The men in the Highway Patrol will be working around the clock during this period in an effort to make this a Deathless Holiday Period—and to help each of you to live longer. To everyone of you hundreds of members of our Safety Council we urge you to ask your neighbors to 'Drive and Walk Safely.'"

A few tips to drivers and pedestrians alike from Birdsong, Hicks and Windham:

1. Start early and obey all traffic laws, especially speed, reckless driving, and running of stop signs.
2. If you drink don't drive and if you don't drink don't get in front of the kids. Let's don't hurt them.
3. Mothers and dads watch the kids and don't let them get in front of cars and of course drivers watch for the kids. Let's don't hurt them.

The Highway Patrol and the Mississippi Safety Council are doing their part. Mr. and Mrs. John Q. Public will you do yours?

Traffic accidents are up 45%, or 82 lives over last year, our goal to save 82 lives in 5 months. Can we do it. The answer is up to you and we do mean you.

TOM KARL ATTENDS THE MISS. STATE FIREMEN'S CONVENTION AT LAUREL

Mr. Tom Karl, Chief of the Volunteer Fire Department in Bay St. Louis, returned Friday from the Mississippi State Firemen's Convention at Laurel, Miss. The meeting was held from 9:00 a.m. till 4:00 p.m. with recess of one hour, and was opened by the mayor of Laurel, who addressed the group and welcomed the visiting firemen.

The group was addressed by the U.S. Fire Marshall from Washington, D. C., who gave pointers on atomic bomb fighting and by Mr. R. H. Tucker, of the Mississippi State Rating Bureau, who spoke on equipment and how to organize and activate a volunteer department. A resolution was passed seeking instruction by the State of firemen in fire fighting; and to send four members to the legislature to have the Mississippi Rating Bureau reduce fire insurance rates where members of volunteer fire departments are expertly trained in fighting fires.

INFORMAL PARTY FOR MRS. HORTON

Mrs. L. T. Boyd and Mrs. J. R. Rollins entertained at the home of the former at an informal tea Tuesday afternoon, in honor of Mrs. C. L. Horton, who has resigned as organist of Christ Church, Episcopal.

The guests were members of the church choir.

FOURTH BIRTHDAY PARTY FOR LITTLE MISS McCULLOCH

Mr. and Mrs. Don McCulloch entertained at a party for their little daughter, Linda Louise, who was four years old, Sunday, August 27. The party was held at 4:00 p.m. at the home of Mrs. McCulloch's mother, Mrs. Sarah Powell, on North Beach. Linda Louise requested a chocolate cake and a green cake for her birthday. Decorations were pink and white as were the candy basket favors. The children took turns riding a pony up and down the yard and Linda Louise, who had a new craze outfit for her birthday, also requested the party rules. Bill Watts won the prize for pinning the tail on the donkey.

The young guests were Bob Hamilton, Mark and Buddy Langrander, Billy Whitfield, Lesche and Georgiana Horton, Rymple Eason, Judy Bryant, Bill and Valda Patrairie, Cheryl and Natalie Rogers, Chuck Brouth, Felice and Carlyle Camos, Charles Wagner, Romy Russell, Lorraine deMontuzin, Sue Porter, Lesche and Val Smith, Bill, Alfred and Richard Watts and Don McCulloch.

Guests at the party were Mr. and Mrs. O. A. Drexler, Mrs. Leo Seal and Virginia Seal and Mrs. Richard Shadoin.

MAUFFRAY FAMILY REUNION

The Joseph Mauffrays held a family reunion at their home on Main Street last Sunday. It was the first time in many years that their five daughters were home together. Mr. and Mrs. Curry Horton, Rymple Eason, Gail and Janet, of Laurel, Miss., were there, also Mrs. Lorraine Mauffray, from Scott Field, Ill. and Mrs. Joan Demattis and two daughters, Eleni and Dora, from Glendale, California. Mr. and Mrs. Allen Mauffray and son, Larry, and Mr. and Mrs. Orlan, Delph and children, Joe, Emily, Freddie and baby.

MEETING OF LEAGUE STUDY GROUP TONIGHT AT WHITFIELD HOME

The meeting of the Study Group on "Survey of Local Government" for the League of Women Voters, which was postponed last Friday night because of the Little Theatre play, will be held Thursday night, August 31, at the home of Mrs. Sam Whitfield, on North Beach at 7:35 o'clock. Gail and Janet, of Laurel, Miss., were there, also Mrs. Lorraine Mauffray, from Scott Field, Ill. and Mrs. Joan Demattis and two daughters, Eleni and Dora, from Glendale, California. Mr. and Mrs. Allen Mauffray and son, Larry, and Mr. and Mrs. Orlan, Delph and children, Joe, Emily, Freddie and baby.

At Canasta, Mrs. Darden won high score prize and Mrs. Delphi, received the low score.

Mr. and Mrs. Edward Osbourne Were Critically Injured in Auto-Bus Collision Saturday Afternoon

Mr. and Mrs. Edward Osbourne were driving toward Highway 90 on Old Spanish Trail Saturday afternoon, about 5:30 o'clock when their car collided with a bus from Keesler Field Air Force Base, coming toward them round a sharp curve. Mr. and Mrs. Osbourne both badly injured, were brought to King's Daughters Hospital and later taken by ambulance to Baptist Hospital in New Orleans. Mr. Osbourne who is 60 years old, has a fractured skull, and is still unconscious, according to his son-in-law, Mr. Jos. Lozano. Mrs. Osbourne 55, a little improved has four broken ribs, and it is feared will be crippled for life.

Sheriff Burton D. Johnson said the bus had come from Keesler Field to furnish transportation for the young girls going from Bay St. Louis and the county to a dance at the Air Force Base.

The driver of the bus and his two companions were not injured and the bus only slightly damaged. The pickup truck in which the Osbournes were riding, however, was almost demolished. Sgt. Fred Harvey, driver of the Keesler bus, was charged with reckless driving on investigation by Deputy Sheriff Paul Egloff and released on bond.

CAPT. DON McCULLOCH ANNOUNCES BAY ST. LOUIS RESERVE UNIT PROMOTIONS

Captain Donald McCulloch, Commanding Officer of Co. B, 302d Amphibian Tractor Battalion recently announced several promotions and assignments of enlisted reservists in the Bay St. Louis Reserve Unit.

The promotions are: Conrad Mauffray promoted from Recruit to Private; Jesse E. Sherman promoted from Recruit to Private; and the assignment of Clarence E. Baughman to Co. B also announced by Captain McCulloch. Sgt. Baughman has had considerable experience during World War II with radial gas engines, which makes his assignment with Co. B a very desirable one.

Co. B still has several vacancies in the first four grades of enlisted rank. Ex-servicemen who are interested may contact Capt. McCulloch, or Lt. Walter J. Phillips, and 1st Sgt. Warren Carver for information regarding affiliation with this unique unit.

ALL HANCOCK COUNTY PUBLIC SCHOOLS OPEN

E. E. Breland, County Superintendent of Education, Hancock County, announced that all public schools in the county would open on Friday, September 1. Public schools in Bay St. Louis, included in the county, will open also on Friday, Sept. 1 for registration. Classes will begin on Tuesday, September 5.

Flower Judging School To Be Held November 2nd

Wouldn't you like to know how to arrange flowers beautifully and correctly in simple, yet unusual containers? Such as the margold, zinnia, with grass and dried flowers in half watermelon shell, or a recent demonstration was reported as having a high arrangement of scarlet gladioli behind a low arrangement of white gladioli in the half watermelon shell; and zinnias and marigolds in a black iron skillet and both arrangements were beautiful.

FIRE ON BRIDGE

The fire truck was called to put out a small fire on the traffic bridge about 1:30 p.m. Sunday. Mr. Raymond Bourgeois took the truck to the scene and found a plank burning on the sidewalk on the bridge on the Bay St. Louis side of the draw. It was quickly extinguished. It was assumed that a burning cigarette thrown from a passing car had caused the fire.

YACHT CLUB PLANS BIG DOINGS FOR LABOR DAY WEEKEND

The Bay-Waveland Yacht Club has scheduled races on Saturday, Sunday and Monday, with trophies given for the Monday races.

The Lightning race scheduled for 2:30 Sunday, September 3rd will be a Handicap Race, with trophies for the winners. This should be a most interesting race—for whoever heard of a handicap on boats of the same type.

Saturday night the regular dinner will be served from 6 until 9. Then there will be a dance from 9:30 to 1:30 with a good six piece band. The dinner will be the usual price, \$1.50 per plate and the dance will be \$1.50 per couple.

Sunday night, the Ladies Auxiliary will have a seafood dinner—served cafeteria style. In other words, you pay for just what you want to eat. It is promised that there will be enough shrimp and stuffed crabs for everyone. Go on out and join the crowd. This supper will be served from 5:30 p.m. until the food is all gone.

BAYOU CADDY PROJECT GOES TO PUBLIC WORKS COMMITTEE, U. S. ENGINEERS

The Bayou Caddy Project, a proposal to widen, deepen, and lengthen the mouth of Bayou Caddy so that larger boats may make use of the harbor facilities, and so that boats engaged in the seafood industry might also make use of the facilities of the Crystal Canning Company plant further up the bayou, has been sent to the U.S. House of Representatives' Committee on Public Works and to the District Engineer, U.S. Engineers at Mobile. This is the latest information from Congressman Will M. Whittington of Mississippi. Chairman of the Committee on Public Works. The present status of the project was outlined by Mr. Whittington in a letter to Mayor Warren Carver, dated August 17, as follows:

"Acknowledgement is made of your letter of August 14 in which you inquire concerning the status of the Bayou Caddy Project, Lakeshore, Mississippi. 'A Committee Resolution, requested by my good friend and colleague, Representative William M. Colmer, has been prepared and forwarded to the Chief of Engineers, Department of the Army, for recommendation, in accordance with Committee practice.'"

"Your statements concerning the need for dredging the mouth of Bayou Caddy and the facts outlined in Mr. Leaveau's letter in justification of the project, will be added to the Committee file and receive the careful consideration of the Committee on Public Works when the report of the Engineers is transmitted to us."

The letter from Mr. V. A. Leaveau which was referred to by Congressman Whittington was a letter to Mayor Carver dated August 5, 1950, outlining the reasons why the Committee on Public Works should favorably consider the project at Bayou Caddy at this time. Mr. Leaveau's two-page letter was photostated by Clerk of Courts A. C. Mitchell who made no charge for this service, and one copy of each was mailed by the Clerk of Courts to the twenty-nine members comprising the House Committee on Public Works.

COMMITTEES APPOINTED TO CARE FOR EVERY PHASE OF RELIEF IN CASE OF DISASTER OR EMERGENCY

A Disaster meeting was called by the executives of the Hancock County Chapter of the American Red Cross Tuesday night at the Court House. Mr. T. T. Robin, Chairman of the Disaster Committee, presided and about fifty persons attended. The meeting was called well in advance of any imminent threat by hurricane and while it was still four hundred and fifty miles away with the possibility of change in course.

Committees were appointed and as Mr. Robin called out names of members on each committee, they stepped to one side of the room and as a group, each committee studied the phase of relief work as it pertained to them. Each one had a Red Cross Manual on what to do "When Disaster Strikes."

By Wednesday morning, committees were in full operation. The Clothing Committee members were calling for clothes to be sent to the REA building on Main Street; the Food Committee members were obtaining kerosene stoves to be set up in Bay High School and were securing food supplies. Other committees, such as transportation, and information, will operate from the Red Cross headquarters office in the Court House. Medical supplies and committee in charge will have headquarters at King's Daughters Hospital.

All schools will afford shelters and canteens inasmuch as it is possible, loud speakers on sound trucks will broadcast warnings and information concerning relief. Registration will take place at each shelter. Outlying areas in the county, Pearlinton, Logtown, Kilo, Waveland, Clermont Harbor and Lakeshore are being considered and committees for those places and Bay St. Louis are as follows:

In addition, all services of the Red Cross will be available for disaster relief. Mrs. Leo Seal is Chairman of Volunteer Services, Mrs. Elizabeth Weston, secretary, and their headquarters will be at the Red Cross office in the Court House. All messages to and from Bay St. Louis will be handled through Red Cross headquarters, as well as publicity as to conditions in Bay St. Louis. Grey Ladies, Motor Corps and Corps of Junior Red Cross as well as Boy Scouts will be called on to help.

As early as Tuesday night, Supt. of Schools, E. E. Breland had made available for use by Tom Karl, Volunteer Fire Chief, five school buses. They were filled with gasoline and oil and ready for relief work.

The Fire Department also has two engines available.

Wednesday morning stores along the beach were being boarded up and Bay Mercantile was emptying its warehouse under the store on the beach side of the road.

Persons in Clermont and Lakeshore and low lying areas around Bay St. Louis were evacuating Wednesday morning.

RAIN-MAKERS TO CHECK HURRICANES

A group of people have been made aware of the fact that rain-making is not a magic trick, but a science. The statement made by Dr. E. T. Langmuir, a leading meteorologist and research scientist, that rain-making is a science, is a fact which should be kept in mind by anyone who is interested in the subject. Dr. Langmuir, who is a member of the National Academy of Sciences, has been instrumental in the development of the cloud seeding process, which is a method of inducing rain by the use of certain chemicals. He has been successful in inducing rain in a number of places, and his work has been widely publicized. Sidewalk Soliloquies...

Any morning just feels different than any other day of the week. It's a sunny day it's a little bit brighter than any other sun during the week. Drove out to the lake house to a lawn square dance in the afternoon. A lot of people were there. A square dancing on the grass. A few young couples jitterbugging too. A lot of music there will be jitterbugging. Can't help but think I'm a little bit on the jealous side. Was at the Lakeshore dance Saturday night too. By the way, the people are really going for this square dance. I saw in one of the N. O. papers where the new rock and roll will be the old fashioned waltz. I thought I ought to remember how that goes. And I thought, "The Bay" think I'll give it a whirl. If I can't find a good one, I'll take a chance on a fractured rock. A. V. Watkins early in the morning. Three a.m. to be exact. That spot is open for the hungry at all hours.

It's one of those famous Watkins' rib sirloin strips. A good one, a good one where I don't need it. Saw Paul Ralston bring on a cup of coffee and keeping an eye on him. A crowd drifted in from various night spots around to "chow up" a nice spot, nice people, and back out of this world. Took in Cinderella at the Hi-Lite. Now there is a sweet piece of entertainment. Good for young and old. Should be on any Dr.'s prescription list. Cute and funny. There is an old saying about comedy has to have a touch of pathos to be really great. Cinderella has it. Another week and time, but like most week ends we did the most we could with what we had. That's all anyone can do.

the public debt was in excess of two hundred and fifty-seven and one-half billion dollars. This means an obligation, if equally distributed, of six thousand and eight hundred dollars for every American family. This colossal debt is greater than our total national income, even with the inflated dollar. It is ten times greater than all the gold in Fort Knox and five times greater than all of the money in circulation and held in the United States Treasury. Moreover, it is greater than all of the United States life insurance in force and is two and one-half times greater than all of the deposits in the banks of this country.

Even should the war be confined to Korea, it will cost us another twenty-five billion dollars. Add to that the fact that we are going to have to maintain a strong military establishment for the next five to twenty-five years, all depending on how long the present regime in Russia will continue in power and the picture is not a pretty one. As long as Stalin and Co. continue their world conquest intentions, we must of necessity keep spending money for national security, and even though better than two-thirds of our debt and our expenditures either go towards future wars we must economize on the payment of past or preparation for some day. That, of course, means that we must economize on the home front. Otherwise, we might succeed in preventing Russia from taking us over only to succumb internally to inflation and resulting revolution.

Soil and water conservation doesn't cost—it pays.

WASHER KILLS 3
 Oakland, Md.—Three children, the oldest of whom was twelve, were burned to death in a fire that swept a two-story frame dwelling after a washing machine blew up and hurled gasoline through the kitchen. Two of the children, Tommy, 5, and Peggy, 2, perished in their home. Wanda Lee Knox, 12, a neighbor's child, who had gone to the Ash home to do her washing, also perished in the flames.

62 COUNTIES IN MISS. HIT BY POLIO

Polio incidence swings upward in Mississippi with 27 cases reported by the State Board of Health for the week ending August 19. Hinds County, with 5 cases, had the highest incidence for the week. All 5 cases were in the City of Jackson. Coahoma reported 3 cases; Copiah, Jones and Lee had 2 cases each; 13 counties reported 1 case each. Sixty-two counties have been struck in the widespread outbreak of polio in Mississippi.

"Incidence in the State has reached unusual proportions," said Dr. A. L. Gray, Director of Preventable Disease Control, State Board of Health. "Number of cases to date this year is only slightly less than the number for the same period in 1949, our worst polio year in history," Dr. Gray continued. "184 cases have been reported for 1950 as compared with 196 cases for the corresponding time in 1949. Counties with the heaviest incidence are: Hinds, 18 cases; Coahoma and Washington, 8 cases; Sunflower, 7 cases; Harrison, Madison and Lauderdale, 6 cases; Benton, Pontotoc, Jones, Simpson, and Attala, 5 cases."

Esther Helm, State Representative of the National Foundation for Infantile Paralysis, reported that \$3,325 was rushed to Mississippi last week by headquarters of the National Foundation for Infantile Paralysis to local county chapters who have depleted their March of Dimes funds. These emergency funds were sent to aid these chapters in caring for polio victims. Counties receiving funds were: Prentiss, \$1,600; Winston, \$1,000; and Lawrence, \$725. This makes a total of \$75,067.67 sent to 29 Mississippi chapters in 1950. Miss Helm said, "Ninety Mississippi polio patients are hospitalized at present with 80 in the polio units in Vicksburg and 10 in out-of-state hospitals. Hospital facilities in Vicksburg are being heavily taxed, but additional beds and equipment have been provided and all patients are assured of adequate care."

Three emergency Red Cross nurses were recruited during the week for the Lutheran Hospital and a physical therapist was added to the staff of the Mercy Hospital. New equipment, consisting of a rocking bed and a whirlpool bath, also reached Vicksburg this week to be used in the care of polio patients.

DOLLAR BILLS

Because the supply is getting dangerously low, largely because of wear and tear in circulation, the Bureau of Engraving has asked Congress for \$2,800,000 to enable it to print 240,000,000 new dollar bills so that it may take some of the worn currency out of circulation.

NEW ORLEANS LITERARY CLUB HAS OUTING AT HOLZER HOME

The Jean Gordon Literary Club of New Orleans, formerly a chapter of Delphians and which has been in existence for about twenty years, held its monthly meeting at the home of Mrs. J. E. V. Holzer, of Waveland, on Wednesday. Luncheon was served to the group and the day was spent in swimming and playing canasta. Those attending were Mesdames O. M. Smith, J. E. Salathe, J. T. Schwartz, Martin Oxford, Hazel Anseman, John Gentile, J. E. Maynard, Charles Gillen, R. O. Toye, Sidney Gonzales, L. J. Elmer, H. J. Miller, Frank Kross, Aimee Muldrey, G. C. Vincent, Art Wallin, Armond Querre, Margaret Perkowski,

Charles Down, Karl Stoltz, J. W. Des-

sauer, and Thos. Schaefer, Jr.

Mrs. Muldrey and Mrs. Miller were guests overnight at the home of Mrs. Holzer, several arrived Tuesday and stopped at Hotel Reed, and Mrs. Chas. Gillen stopped with her sister, Mrs. Schaefer.

TANKERS

The United States today has many more—and larger—oil tankers than at the outset of World War II, according to the Department of Interior. On September 3, 1949, the latest figures show that there were 870 tankers in the Western hemisphere—359 more than ten years earlier. Of these, 578 were under the US flag—195 more than in 1939. There have been additional launchings in the last twelve months.

REMEMBER WHEN

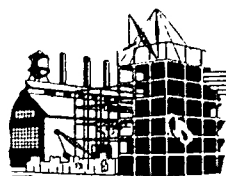

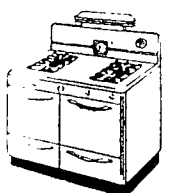

... biscuits rose before the sun

Remember baking day of years gone by? It was early to rise and late to bed for the weary housewife . . . with many a tedious hour required just to keep the kitchen fire going. Today it's a different story. Modern Gulf South housewives find cooking a pleasure on smart, new natural gas ranges. The mere touch of a finger

gives instant, controllable heat that assures perfect cooking results.

A new automatic gas range will bring smartness and beauty into your kitchen, along with greater convenience, dependability and economy.

See the newer models today wherever gas appliances are sold. Natural gas is the preferred fuel for all the big jobs in the home, just as it is the preferred fuel for industry.

Natural gas has been an important factor in the great movement of industry into the Gulf South, helping in that way to build new payrolls and place new money in circulation throughout the area. The companies which make up the natural gas industry are good citizens of the communities they serve . . . are good examples of the American business system operating for the benefit of people in every walk of life.

Every housewife should read the splendid article in the September issue of "To Days Woman" entitled "Do you get the Food you Pay For?" It is most enlightening and of great value to those on a budget as well as those who aren't. I think most women are like I am. They don't mind spending their money but they do mind spending that they are or might be "done." The article states that every year the American housewives are "gypped" out of one billion dollars by dishonest food merchants and it instructs you as to how you can avoid this infamous practice. By all means read it if you can't get a copy I will gladly leave mine at the office of this paper for distribution.

I remember during the war or I should specify World War II since World War III is on our doorstep, there was a certain butcher in one of the several communities in which we lived who was definitely using ultrasonic methods to cheat Mrs. Housewife. Most of us knew it and blandly accepted it as an unavoidable occurrence since meat was rationed and we had to do with what we were given. Of course, he denied it vociferously and threatened to sue her if she made any further accusations against him. But in time, when she discovered he was back to his old tricks again, she reported him and the next thing I knew he was charged and fined and his license suspended for six months. I wonder now if this little woman wasn't a food investigator.

I spent last week end in N. O. and discovered that old Judge O'Neill was a hell-mate of mine at the hotel. In fact, my room faced his directly. One morning when his nurse was wheeling him back from his daily outing I met him just as I was leaving my room. We had an interesting chat in which we talked of my father and many mutual friends. Actually, the Judge doesn't look any different to me than he ever did, tho he said he has been sick for a year. Of course he no longer walks but there still remains a small twinkle in his eyes and firm hand-clasp. As I bade him goodbye and went on my way I was a little saddened for, somehow he reminded me of my own father. He belongs to the age of magnificent men which is slowly but surely diminishing.

Saw Mae Monteleone (Mrs. Frank B.) leaving the Swan Room looking ravishing in a navy blue linen dress and navy milan picture hat. Trailing from her bag was a long, soft chiffon handkerchief in a rosy-beige shade.

A letter in my mail this week reminds me of an error I made in expressing myself in last week's column. I said that I "spoke" with a young man about poetry, music, etc. My correspondent reminds me that you never use "spoke with" concerning a conversation—only in reference to an actual

speech or address. I stand corrected, M. and thank you so much. That is the sort of constructive criticism I appreciate. I shall remember to say "I talked with hereafter. Help me again sometime will you?"

Have you tried the new prepared mashed potatoes? They are miraculous. Just add hot milk, a few turns of a spatula and that's all.

And now comes the new wall panels done with a slab of wood and dried pods and sticks. At the International Flower Show in New York this method of arrangements drew a lot of favorable comment. The pods, cones, etc., are arranged on a flat board and cemented. When the design is completed the whole thing is shellacked. You can save one hour by using a model design and it isn't too early to begin these for Christmas presents. They would make lovely ones and so inexpensive.

Another idea for Christmas presents. Have you ever thought of braiding strips as you do for rugs and making bags out of them. Braid and stitch your strips into circular mats as big around as you want them. Take two round mats and stitch together, leaving an opening at the top. Then braid your handle and stitch to bag. It makes a colorful knitting bag and a very economical one. I would advise using rayon for this. I can't see why the same idea couldn't be used for hot plate mats, or has someone already thought of that?

Don't discard any old pieces of furniture no matter how badly they need repair. Use your ingenuity in making something worth while out of them. I have an antique armchair that my husband abhors. In fact it seemed to me that it was almost an obsession with him. He makes so few demands that I thought I could make a concession in this case and get rid of it. But the longer I looked at it the more I realized I couldn't part with it so, for the present, I have relegated it to the attic. I have plans for it for the future, however, it has two deep drawers at the bottom with beautiful fruit pulls on them. The next thing I will cover either with a slab of marble or wood and use for a fireside bench, utilizing the drawer space at the same time. This is not entirely an original brain child my friend "Mrs. Spiegle" had the first idea (I call her "Mrs. Spiegle" because she nick-named me Mrs. Bugsy).

FEDERAL WORKERS

There were 1,968,940 employees on the Federal payroll at the end of the fiscal year on June 30, a decline of 131,087 from the year before. While the biggest cut was in the number of civilian employees of the military establishment, it is expected that this reduction will be cancelled by the cut-back of the current Korean war.

"The Child with the Savings Account Becomes the Thrifty Man"

A savings account is an ideal birthday gift for a boy or girl. It fosters a sense of independence. It provides an incentive for thrift. It enables the child to save for the things he wants—and thus learn, through a small measure of temporary sacrifice, the relative value of possessions and of goals.

Miss Marion Whitaker Becomes Bride Of Gregory G. Kergosien in Ceremony Sunday At Columbia, Tennessee

Miss Marion Whitaker, daughter of Mr. and Mrs. W. D. Whitaker, of Washington, D. C., was married to Gregory G. Kergosien, son of Mr. and Mrs. Sam Kergosien, of Columbia, Tennessee, in a ceremony held at the home of the bride's parents on Sunday, August 27.

The ceremony was officiated by the Rev. Dr. J. H. Shattuck, pastor of the First Baptist Church, Columbia. The bride wore a white gown with a full skirt and a long train. She was accompanied by her father, Mr. W. D. Whitaker. The groom wore a dark suit and was accompanied by his mother, Mrs. Sam Kergosien.

The ceremony was held in a private home in Columbia. After the ceremony, the bride and groom were entertained by the bride's parents. The reception was held from 4 to 6 p.m. and was attended by many guests.

The popular bride was graduated from Columbia High School and is now employed by the Tennessee Valley Authority. She holds membership in the Columbia Girls' Glee Club.

Mr. Kergosien was graduated from the University of Mississippi at Oxford where he was a member of Kappa Sigma Fraternity. He is now a pharmaceutical representative of the Upjohn Company.

Following a wedding trip to the Smokies, the couple will be at home at 418 West Sixth Street, Columbia, Tennessee.

Miss Margie Elliott Married To Cpl. Howard J. Duff at Keesler Chapel

The marriage of Miss Margie Mary Elliott, daughter of Mr. and Mrs. L. S. Elliott of Bay St. Louis and Cpl. Howard Joseph Duff, son of Mrs. Chas. E. Duff and the late Mr. Duff of Brooklyn, N. Y., was solemnized at the Catholic Chapel of St. Joseph, Bay St. Louis, on Saturday, August 26, at 11:00 a.m. Rev. Father R. J. Kirschenheuter, CM, uncle of the bride said the Mass and young Anthony L. Enterante, Jr., her nephew, served as altar boy at Mass.

The altar was enhanced with tall baskets of white gladioli and vases of gladioli and fern and lighted white candles gave a soft glow. The organist played Lohengrin's Bridal Chorus as the procession and during mass there were two solo, Schubert's "Ave Maria" and the hymn, "Oh, Lord, I Am Not Worthy."

The bride was given in marriage by her father and wore a dress of chiffon organza, trimmed in eyelet embroidery over white satin. The tight fitting bodice was of the embroidery, and had a sweetheart neckline and cap sleeves. A wide ruffle of the embroidery across the front of the very full skirt came up, upon effect, and ended in a bustle in the back. The skirt fell into a train. She wore mittens of eyelet embroidery and her finger tip veil was fastened to the head in a very effective halo of eyelet embroidery. Her bride's bouquet was of white roses and bouvardia with white ribbons and white rosebuds trailing from the bouquet.

The maid of honor was her sister, Miss Joan Elliott, who wore a dress of tulle and white, with a long train, and a yellow chiffon organza, similar to that of the bride, with which she wore a picture hat and mittens of the same material.

The bridesmaid was also a sister, Miss Julie Elliott, whose dress was like that of the maid of honor, except the color was ice blue and the bride's petite niece, Diane Enterante as junior bridesmaid, wore a pink. All three carried old fashioned bouquets.

As his best man, the groom had Cpl. Francis Patrick Hession and as groomsmen, Cpl. Henry Dyson. Ushers were Messrs. Russell and Luke Elliott, brothers of the bride.

Following the ceremony, there was a reception in the Sun Room of Hotel Reed for the bridal party and immediately members of the family. The bride's table was attractive with a three tiered wedding cake as the centerpiece.

Rev. Fr. Msgr. A. J. Gmelch, pastor of Our Lady of the Gulf, Rev. Father George Brennan, Chaplain at Keesler AFB, with Cpl. and Mrs. Robert Egan, men Cpls. Paul Weisbarth, Bruce Wolfe and Robert Brennan attended.

For going away the bride wore a fall dress of turquoise color having a full length side panel trimmed in rhinestone studded black velvet buttons, with which she wore a black velvet hat and black velvet accessories. Her corsage was of white gardenias, the tips of which were tinged with a delicate green.

The bride is a graduate of St. Joseph Academy, of Bay St. Louis, and for the past few years has been with the civilian personnel at Keesler AFB. Cpl. Duff is an instructor at the base.

The young couple will make their home in a cottage at the Breezy Gulf Court in Biloxi.
